

Dear Chairwoman Faina Kukliansky,

Thank you for your immense contribution to creating a vibrant Jewish life amongst the Jewish youth and in general the Jewish community of Lithuania. We would like to extend our invitation to Lithuanian Union of Jewish Students executive leadership to join us for the annual Congress of the World Union of Jewish Students.

Both the Lithuanian Union of Jewish Students and their President, Amit Belaite, have been nominated for honours as part of the annual WUJS Awards. It is therefore incredibly important that they are represented at the Congress. Over 130 Jewish student leaders from more than 30 countries will be represented and we would be more than happy to have delegates that would represent Lithuania.

The Congress is specifically designed to impart the highest level of leadership training so that Jewish students leaders are able to return to their home communities stronger and better equipped to build positive Jewish life for their peers. We are certain that the experience will be incredibly valuable for the Lithuanian Union of Jewish Students leadership.

We understand that WUJS Congress is a large financial undertaking which is why we have made sure to sponsor part of the price of the participation fee for a few Lithuanian delegates that will attend all of the congress.

I am myself a Litvak Jew and I believe that coming from a Jewish community with such a rich Jewish history it is essential to be present at our congress. We are hoping that you will have possibilities to sponsor your local youth to come and represent Lithuania.

Sincerely,

Yossef Tarshish,
WUJS President
